

# You don't have to go to the jungle to be a missionary...but you can.

**W**ycliffe Associates offers short-term mission projects around the world, everything from leading a Vacation Bible school for missionary kids, substitute teaching, prayer journeys, painting and fixing up translation centers, to constructing an entire center from the ground up.

Just tell us where you want to go—in the city, in the jungle, or in the desert—and we'll find a place for you to serve.
