

Got the Bible?

Millions of people don't—
not in a language they can understand.

Jesus said "Let the one who is thirsty come." But how can thirsty people drink Jesus' life-giving words if they don't have the Scriptures in their own language?

You can help get God's Word to those who are thirsty by becoming involved in Bible translation. The support ministry of Wycliffe Associates needs volunteers to serve in a variety of ways including: construction, office work, mailroom, groundskeeping, and short-term mission trips.

By volunteering with Wycliffe Associates, you can help bring life-giving truth to our thirsty world!
